3rd Sunday of Easter - April 18, 2021

Prayer Intention for April, 2021

Fundamental Rights: *We pray for those who risk their lives while fighting for fundamental rights under dictatorships, authoritarian regimes and even in democracies in crisis.*

Let us pray:

- For our pastor, Fr. Peter, in his priestly ministry among us.
- For the conversion of Christians, especially those of our parishes.

3rd Sunday of Easter : "Jesus himself stood among them and said to them, 'Peace be with you.' But they were startled and frightened..." LUKE 24:36-37

Throughout the day, we have the opportunity to see the face of Jesus in others and to be the face of Jesus to others. Do we take that opportunity to provide peace to those we encounter or are we afraid of what others will think of us and do nothing? Pray for the strength and courage to live a God-centered life and not a self-centered life.

Our mission statement: LOVE GOD LOVE OTHERS TRAIN DISCIPLES

URBI ET ORBI- EASTER MESSAGE OF HIS HOLINESS POPE FRANCIS

Saint Peter's Basilica - Easter, 4 April 2021

Dear Brothers and Sisters, a good, happy and peaceful Easter!

Today, throughout the world, the Church's proclamation resounds: "Jesus, who was crucified, has risen as he said. Alleluia!"

The Easter message does not offer us a mirage or reveal a magic formula. It does not point to an escape from the difficult situation we are experiencing. The pandemic is still spreading, while the social and economic crisis remains severe, especially for the poor. Nonetheless – and this is scandalous – armed conflicts have not ended, and military arsenals are being strengthened. That is today's scandal.

In the face of, or better, in the midst of this complex reality, the Easter message speaks concisely of the event that gives us the hope that does not disappoint: "Jesus who was crucified has risen". It speaks to us not about angels or ghosts, but about a man, a man of flesh and bone, with a face and a name: Jesus. The Gospel testifies that this Jesus, crucified under Pontius Pilate for claiming he was the Christ, the Son of God, rose on the third day in accordance with the Scriptures, just as he had foretold to his disciples.

The crucified Jesus, none other, has risen from the dead. God the Father raised Jesus, his Son, because he fully accomplished his saving will. Jesus took upon himself our weakness, our infirmities, even our death. He endured our sufferings and bore the weight of our sins. Because of this, God the Father exalted him and now Jesus Christ lives forever; he is the Lord.

The witnesses report an important detail: the risen Jesus bears the marks of the wounds in his hands, feet and side. These wounds are the everlasting seal of his love for us. All those who experience a painful trial in body or spirit can find refuge in these wounds and, through them, receive the grace of the hope that does not disappoint.

The risen Christ is hope for all who continue to suffer from the pandemic, both the sick and those who have lost a loved one. May the Lord give them comfort and sustain the valiant efforts of doctors and nurses. Everyone, especially the most vulnerable among us, requires assistance and has the right to have access to necessary care. This is even more evident in these times when all of us are called to combat the pandemic. Vaccines are an essential tool in this fight. I urge the entire international community, in a spirit of global responsibility, to commit to overcoming delays in the distribution of vaccines and to facilitate their distribution, especially in the poorest countries.

The crucified and risen Lord is comfort for those who have lost their jobs or experience serious economic difficulties and lack adequate social protection. May he inspire public authorities to act so that everyone, especially families in greatest need, will be offered the assistance needed for a decent standard of living. Sadly, the pandemic has dramatically increased the number of the poor and the despair of thousands of people.
