Prayer Intention for November, 2020

Artificial Intelligence – We pray that the progress of robotics and artificial intelligence may always serve humankind.

Let us pray for our families.

Let us pray for our pastor, Fr. Peter.

Let us pray for all the members of our parishes who are sick and for our deceased faithful.

Parish News:

The month of November is dedicated to the Holy Souls in Purgatory. The Church commemorates all her faithful children who have departed from this life, but have not yet attained the joys of heaven. We are invited to pray for all souls who are gone before us

Sunday Missal 2021:

The 2021 Sunday Missal has arrived and is available for \$4.00 each. Please deposit the money in the basket provided. It is advisable to purchase your own copy and keep it with you to avoid multiple persons handling of books.

Marriage Tips

Our culture is often obsessed with novelty: the newer, the better. But sometimes what is old, what has proven itself and what inspires confidence, is better! Over the years, spouses become familiar with each other's peculiarities. What are the little fads you like about your spouse?

COVID-19 Clarifications for Religious Services, Updated on November 2, 2020

Due to the recent surge of COVID-19 cases in Manitoba, coupled with the Code Red Alert for Winnipeg and the Capital Region, as well as the Code Orange Alert in all other areas of the province, the Archdiocese of Saint Boniface is issuing the following clarifications, having obtained updated information from the official government liaison to communities of faith during the COVID-19 pandemic, in coordination with the Archdiocese of Winnipeg and the Ukrainian Catholic Archeparchy of Winnipeg.

Please keep in mind that it is essential that these directives, updated on November 2nd, always be implemented with the proper necessary public health measures:

- In Winnipeg and the Capital Region currently under Code Red Alert, the number of persons attending a religious service may not exceed 15% of the usual capacity of the premises or 100 persons, whichever is lower
- All other areas of the province are currently under Code Orange Alert, where the number of persons attending a religious service may not exceed 30% of the usual capacity of the premises or 250 persons, whichever is lower.
- All attendees must wear masks.
- Ensure 2 meters between individuals or family groups (those who live in the same household).
- All high contact areas must be thoroughly cleaned after use.
- A sanitizing disinfectant must be applied throughout all spaces and all surfaces must be wiped down after each use. Especially: pews, doorknobs, bathrooms in particular and any usual high traffic areas.
- Liquid hand sanitizer must be made available at the entrances of church buildings.
- Hymnals should be removed from the church pews and stored.
- If parishes are not able to ensure sufficient sanitization, control of allowable number of people and proper distancing in the government prescribed manner, they must not hold religious services until they are able to do so.

- Persons at a greater risk of serious illnesses, e.g. people 65 years of age or older and individuals with chronic medical conditions, are encouraged to consider staying safe by avoiding public gatherings.

- Anyone who has even the slightest symptoms of sickness should remain home.
- Attendees must write their name on a contact tracing form upon arrival at the church and confirm that they do not have symptoms of COVID-19, nor does anyone in their household.
- Contact tracing information should be kept by parishes for at least 4 weeks.

We ask that parishes enact these directives in a compassionate and understanding manner. No one is prohibited from entering the church or attending Mass. All should be made welcome in our churches.

Size and Nature of Religious Services

*What is considered a Religious Service?

The following are to be considered “religious services” and can therefore accommodate 15% of the usual capacity of the premises or 100 persons, whichever is lower in Winnipeg and the Capital Region currently under Code Red Alert, or 30 % of the usual capacity of the premises or 250 persons in the remainder of the province currently under Code Orange Alert:

- Masses and Prayer Services, such as Adoration, Recitation of the Rosary or Divine Mercy Chaplet, Funeral Vigils, etc.
- All celebrations of the Sacraments, i.e. baptisms, reconciliation, confirmation and weddings.
- Sacramental preparation sessions
- Retreats
- RCIA formation meetings
- Bible study, Lectio Divina and Faith Formation activities
- Catechism classes

We remind parishes that proper sanitizing of hands and surfaces must occur, social distancing must be maintained, and contact information must be taken.

*What is NOT considered a Religious Service?

Meetings organized for any other purpose where worship and faith development are not the main goal, such as PPC meetings, administrative meetings, and youth games and activities nights are not considered religious services.

“Therefore, stay awake, for you know neither the day nor the hour.”

- Matthew 25:13
