*“Fasting cleanses the soul, raises the mind, subjects one’s flesh to the spirit, renders the heart contrite and humble, scatters the clouds of concupiscence, quenches the fire of lust, and kindles the true light of chastity. Enter again into yourself.”* St. Augustine of Hippo

*2<sup>nd</sup> Sunday of Lent C – March 13<sup>th</sup>, 2022*

### Prayer Intention for March, 2022

**For a Christian response to bioethical challenges** – We pray for Christians facing new bioethical challenges; may they continue to defend the dignity of all human life with prayer and action.

Let us pray: - For our pastor, Fr. Peter, in his priestly ministry among us.

- For the conversion of Christians, especially those of our parishes.

- For an end to the war in Ukraine and for its displaced and traumatized citizens.

### Parish life:

+ **Spring forward** – don’t forget to turn clocks forward this Sunday morning.

+ **The general dispensation from Sunday Mass**, which was mandated at the beginning of the COVID-19 pandemic is lifted, effective immediately. As it is our desire to welcome people back to church safely, knowing that some may be hesitant to return, it will be necessary to be aware of and respect the comfort levels of returning parishioners.

+ **Visit and Communion to the shut-ins on Wednesday afternoon** – For those who wish to receive Holy Communion at home, please contact the parish office or Father Peter.

+ **First Holy Communion catechism class for English group** – Thursday, March 10<sup>th</sup> at 7:00 pm.

+ **Way of the Cross and Movie Night** - Friday, March 11<sup>th</sup> at 7:00 pm in St. Denis. Featured movie this week is “God’s NOT Dead”

+ **Marriage preparation Course** – Saturday, March 12<sup>th</sup> at 10:30 am. We pray for these couples as they prepare to engage themselves to a life together.

+ **Way of the Cross and Movie Night** – Friday, March 18<sup>th</sup> at 7:00 pm. in St. Claude church. Featured movie will be “Heaven is for Real”.

+ **Lent Penitential Service and Confession** – March 25 at 6:30 pm in Haywood and 8:00 pm in St. Claude.

+ **Direct Deposit** – For those who wish to sign up for direct deposit, please bring a voided cheque to the parish office and fill out the form needed. For those who are already signed up and would like to adjust their donation amount, please contact the office and the bank.

### + COVID-19 - New restrictions in effect on March 1, 2022

The change affects faith communities in the following manner:

- There are no longer ANY capacity restrictions.

- Proof of vaccination is NO LONGER REQUIRED or requested.

**- The wearing of masks and social distancing remains strongly recommended as is the sanitizing of hands at the door and sanitizing of pews.**

We do this for the good of all!

Thank you for your understanding and your sacrifices! May the Lord bless you and keep you always in His love!

Fr. Peter Le

\* **March 13, 2022 - 2nd Sunday of Lent**

*"I am the Lord who brought you from Ur of the Chaldeans to give you this land as a possession." (GENESIS 15:7)*

Just as the Lord gave Abraham, Moses and the Israelites a land to possess, He has also given each of us a home. Whether your home is grand or humble, it is a gift from God. Abraham prepared a great sacrifice to the Lord in gratitude for the home God gave him. How do you show your gratitude to God for the home He has given you? Do you make a

sacrifice of any kind? Do you return any of your finances to God, investing equally in your eternal home just as you invest in your earthly home?

### Development and Peace: Madagascar: an ecological village to cope with climate change

Development and Peace's People and Planet First campaign celebrates what solidarity can achieve, even against seemingly impossible odds.

In Madagascar, for instance, Development and Peace's partner, the Development Council of Andohatapenaka (CDA), empowers people to manage and transform their neighbourhoods.

In the capital region, which is afflicted by flooding and poor waste management, CDA has helped the residents of one vulnerable area to turn their environs into a thriving ecological village. Today, each of the 50 households involved in the project has a vegetable garden, a stove and solar

panels. This transformation reflects a true ecological conversion.
