*** Back to School – Archbishop LeGatt ‘S September Video Message**

As many students and staff are returning to school throughout Manitoba, to a new normal as the COVID-19 pandemic eases, Archbishop Albert dedicates his monthly message to encourage, thank, and support all educators and students throughout our province. Truly, these have been tumultuous years, and educators throughout the province, including in our Catholic Schools, have stepped up in incredible, innovative, and generous ways, out of love and passion for their students. And now, as we prepare for yet another adjustment, this transition to a new normal, let us always remember to be patient, merciful, and generous to each other. Wishing all students and academic staff a safe and happy return to school, and all successes in this new academic year!

*** Video of Archbishop LeGatt – Walking Together: Now What?**

Following the historic papal penitential pilgrimage to #Canada last month, during which Pope Francis apologized for the “catastrophic” wrongs committed to #Indigenous peoples through #colonization and residential schools, and the important role the Church had to play in this national tragedy, Archbishop LeGatt looks back at this historic encounter. He also, though, looks forward: what’s next? Let us not allow this historic moment fizzle. Rather, let us continue to take on our shared responsibility of continuing to work towards a world of equity and justice for all. To view the video, [click here](#)

*** Synodal Report of the Archdiocese of St. Boniface and Syntheses of the Western Assembly of Catholic Bishops and the Canadian Conference of Catholic Bishops**

*** Marriage Tips**

“From the cloud came a voice, ‘This is my beloved Son. Listen to him.’” Mk 9:7 Meditate on the Transfiguration, and spend some time with your spouse reflecting on the voice of God. Are you listening to Him when you make big and small decisions in your marriage?

25th Sunday in Ordinary Times C – September 18th, 2022

“No servant can serve two masters. He will hate one and love the other, or be devoted to one and despise the other. You cannot serve God and mammon (wealth).” Luke 16:13

Jesus knows that for many of us, God and money run “neck and neck” as top priority. Is money a “god” that you put before God? Giving money to support the Church and other charity is a pillar of our faith, just like attending Mass every Sunday and participating in parish ministry. Giving money frees us from becoming a slave to money. It increases our dependence on God and our trust that God will provide all that we need.
