*** World Day of Grandparents and the Elderly - Sunday, July 23**

World Day
for Grandparents
and the Elderly

The third **World Day for Grandparents and the Elderly** will be celebrated this year on **Sunday, 23 July 2023**. Pope Francis inaugurated this World Day to be celebrated by the universal Church each July, either on or near the liturgical Memorial of Saints Joachim and Anne, grandparents of Jesus, to help “treasure the spiritual and human wealth that has been handed

down from generation to generation.”

The theme chosen by Pope Francis for this year’s World Day is “**His mercy is from age to age**” (Luke 1:50), highlighting the relational interconnection between old and young. This theme is particularly well suited to the upcoming World Youth Day in Lisbon, August 1-6, 2023.

The **CCCB Standing Committee for Family and Life**, in collaboration with its corresponding Office, produced a 30-second video that captures a group of high school students visiting a retirement home. This heart-warming interaction between young people and the elderly illustrates this year’s theme and encourages us to find concrete and creative ways of drawing closer to the elderly. “Everyone who acknowledges me before others I will acknowledge before my heavenly Father.” MATTHEW 10:32

Would others know that you are Catholic by the way you act and speak? Do you share your Catholic faith with others? Do you defend your Catholic faith when the situation arises or do you remain silent? Do you pray in public before meals? Pray for the strength and courage to be a joyful witness of our Catholic faith when the opportunity presents itself. Let us become the radiant light and bold witness that we are called to be!

As a mother delights in taking her child on her knees, in caressing and feeding it, so does our God delight in treating with love and tenderness those souls who give themselves entirely to him and place all their hopes in his goodness and bounty. St. Alphonsus Liguori
