\* **32<sup>nd</sup> World Day of the Sick – February 11, 2024**

11•02•2024

**WORLD DAY  
OF THE SICK**

It is not good that  
man should be alone

The World Day of the Sick offers us another opportunity to pray for all those who suffer, and to reflect on our commitment to them. Earlier this year, the Vatican published [Pope Francis' message for the 32<sup>nd</sup> World Day of the Sick](#), celebrated each year on February 11. The Holy Father's message for this year is entitled: **"It is not good that man**

**should be alone" - Caring for the sick by caring for relationships.**

The Holy Father refers to the biblical passage from the Book of Genesis, emphasizing that God created man by endowing him with vital relationships, and that loneliness, the result of sin, can lead to suffering and isolation. Pope Francis' message urges us to care for relationships with compassion and tenderness, while recalling the example of the Good Samaritan who approached his neighbor with deep compassion. The Holy Father also stresses that the sick, the fragile and the poor must be at the heart of the Church and at the center of our pastoral concerns. To read Pope Francis' message, [click here](#).

*5<sup>th</sup> Sunday in Ordinary Times B - February 4, 2024*

*“Rising very early before dawn, he left and went off to a deserted place, where he prayed...He told them, ‘Let us go on to the nearby villages that I may preach there also. For this purpose have I come.’”*

*- Mark 1:35, 38*

In today's Gospel reading we see a perfect example of stewardship. Jesus gives His time to do all that God wishes - healing the sick and preaching. But before He begins, Jesus takes time to be alone with God in prayer. It is through prayer, spending time with God, that we are given the graces needed to do what He wishes us to do. Praying before acting is a great habit to develop.
