Prayer intention for January - For the Gift Of Diversity In The Church

Let us pray that the Holy Spirit helps us recognize the gift of different charisms within the Christian community, and to discover the richness of different ritual traditions in the heart of the Catholic Church.

Let us pray: For the conversion of Christians, especially those of our parishes.

For peace among all nations.

* **Week of Prayer for Christian Unity – January 18-25, 2024**

The annual Week of Prayer for Christian Unity will be celebrated in many places around the world from January 18 - 25, 2024. The resources for 2024 have been prepared by an ecumenical team from Burkina Faso, facilitated by the local Chemin Neuf Community, and by the international Week of Prayer for Christian Unity writing team.

The theme chosen for 2024 is "**You shall love the Lord your God... and your neighbour as yourself**" (Luke 10:27). We find our common Christian identity in the experience of God's love (cf. John 3:16) and reveal that identity to the world by how we love one another (John 13:35).

* **Winnipeg Free Press - "A positive hopeful step"**

The Vatican's recent document On the Pastoral Meaning of Blessings states that priest can bless same-sex couples, while reaffirming marriage as being only between a man and a woman in the Church. Archbishops LeGatt and Gagnon comment and clarify.

* **Marriage Tips**

Take some time today to cultivate the love you have for your spouse. Small, daily gestures of love and appreciation will bear great fruit in your marriage!

*** Winnipeg Free Press - “Catholic health group leader urges pause on efforts to expand MAiD”**

Instead of MAiD – Medical Assistance in Dying – Julie Turenne-Maynard wants Canadians to support MAiL - Mission Assistance in Living.

Turenne-Maynard, executive director of the Catholic Health Association of Manitoba, has started a [petition](#) to call on the federal government to pause its efforts to expand MAiD to people with mental illness, and instead provide more support to help them live. “We need better supports for living, not just easier access to dying,” she said. What God wants of you... is that you should live each day as it comes, like a bird in the trees, without worrying about tomorrow. Be at peace and trust in divine Providence and the Blessed Virgin, and do not seek anything else but to please God and love God.

“Follow me and I will make you fishers of men.”- Mark 1:17

Jesus' call to “follow me” is a call to all Christians! The call is in the here and now, in our present circumstances, not when we think we are “ready” or have everything in order. Good stewardship of our God-given gifts means that things aren't always going to go according to our schedule, but that God has a much better plan in store for each of us.
