## Feast for Father Peter Le

On Sunday June 2 the Christian communities of St. Claude and St. Denis got together at the St. Claude Community Centre to celebrate the 5<sup>th</sup> anniversary of priestly ordination of Father Peter Le, our pastor. We were honored by the presence of 3 visiting priests and some of Fr. Peter's Vietnamese friends. After the blessing pronounced by Msg. Roger Bazin, we enjoyed a delicious meal together of cold cuts on French and Rye bread, veggies and dip, cheese and some Vietnamese dishes. For dessert we had fruit and cake decorated with Fr. Peter's photo and anniversary blessings. The atmosphere was joyful and celebratory!

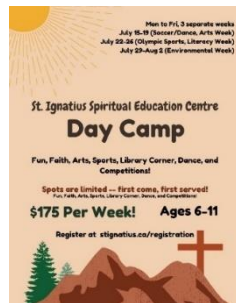

The members of the Parish Pastoral Council and the members of the Parish Financial Council take this opportunity to sincerely thank everyone who attended and supported this celebration. Thank-you to Msg. Roger Bazin for the meal blessing. Thanks to marcel Lesage for his speech. Special thanks to Fr. Peter's Vietnamese friends for celebrating with us and giving us a taste of Vietnamese cuisine. Thanks to Notre Dame Shop Easy store for the meat and cheese platters that were so well presented. Thank-you to Linda Cewick-Poirier for the beautifully decorated cakes and to Nicole Jamault-Dion for the flowers decorating the tables.

## 11<sup>th</sup> Sunday in Ordinary Time B - June 16<sup>th</sup>, 2024

Today, Jesus gives us two parables about farming: the parable of the scattered seed, and the parable of the mustard seed. These were images that people listening to Jesus could relate to, since most of them spent their days in the fields planting, watering and reaping. Our Lord told these parables using something they knew —agricultural work— in order to teach them something they did not know about: the Kingdom of God!

Indeed, Jesus teaches something about his spiritual Kingdom. In the first parable He says: “This is how it is with the kingdom of God; it is as if a man were to scatter seed on the land” (Mk 4:26). And He introduces the second by saying, “To what shall we compare the kingdom of God...? It is like a mustard seed” (Mk 4:30).

Most of us today have little in common with those farmers; yet these parables can powerfully resonate in our modern minds because we can still understand quite a lot about planting, watering and harvesting, and somehow, we sense through his words, that God has planted something in our hearts that will not allow us to move completely away from him.

What is the Kingdom of God? It is “Jesus himself”, as Pope Benedict XVI reminds us. And our soul “is the essential location of the Kingdom of God”. God wants to live and grow inside us. If we seek God's wisdom and obey his commands, our life will become as steady as a rock and acquire a power that we can barely imagine.

If we patiently correspond to his grace, his divine life will definitely grow in the soul the way seed grows in the field or, as the medieval mystic, Meister Eckhart, has beautifully expressed: “The seed of God is in us. Given an intelligent and hard-working farmer it will thrive and grow up to God, whose seed it is; and accordingly, its fruits will be God nature. Pear seeds grow into pear trees, nut seeds into nut trees, and God seed into God.”
